Outreach to our Elderly

NOT
EVERYONE
WHO IS
HUNGRY IS
HOMELESS

Maybe you didn't know...

One out of four of America's elderly goes hungry each day. They may suffer from a variety of disabilities such as severe arthritis, heart disease or depression—leaving them too frail or alienated from life around them to shop for food or prepare regular meals.

But with your donation, Meals on Wheels® will deliver hot, nutritious meals and provide the human contact the Treasure Valley's elderly so desperately need—all year round.

Help the Treasure Valley's elderly stay connected to their community with The Idaho Statesman.

Providing The Idaho Statesman along with a meal to a disabled and lonely senior could make a world of difference to their mental and emotional well being. Through Meals on Wheels, and in partnership with The Idaho Statesman, you can provide the paper with their meal for only 63¢ per week (\$16.50 for 6 months or \$32.80 for a whole year). *Please help us help our elderly.*
